

# Hall of Fame Inductee

Name: TINA HAASE-FINDLAY

Instrument: Vocals

Year Inducted: 2016

From the time she won the Louis Armstrong Jazz Award as a high school senior in Algona, Iowa, Tina knew that jazz would be one of her great musical loves forever. Since that time, she has made her musical mark in the fields of jazz, blues, rock, soul, gospel, commercial jingles, musical theatre, and beyond. Since moving to Des Moines in the mid-1980s, Tina has had the honor to share the stage with many CJC Jazz Hall of Fame honorees. While performing at Mel's in the 1990s, Tina had the great fortune to begin a special friendship with one of her regular audience members, the late great Irene Myles.

Tina was a longtime favorite of the annual summer series "Jazz In July", performing special "Giants of Jazz" tributes to several of her personal favorite jazz artists, which she continues to present at Noce Jazz Cabaret.
